

Future Stars Rules & Guidelines

The Future Stars Committee strives to remain an independent committee called the **Future Stars Committee** –working alongside the ACA and utilising the software programs for Campdrafting- Campdraft Central & Campdraft One.

- **The Future Stars Committee** strives to facilitate and direct the **Future Stars Series** where the welfare of the young horse is always the first priority.
- We will be under the rules and guidelines of the ACA.
- *The series is for horses 4 years and under competing exclusively in ACA affiliated Futurity Campdrafts.* If a horse competes in an Open Age campdraft, this will eliminate them from the series.
- There are no fees or registration required. If you are competing in an ACA affiliated Futurity Campdraft you automatically qualify for points in the Future Stars Series if you place in the Futurity Campdraft so long as that committee chooses to use the software programs Campdraft One & Campdraft Central.
- The series runs from 1 August-31 July the following year.
- A horse can gain points only in the first 6 futurity drafts that the eligible horse competes in that competition year. This is to eliminate competitors attempting to gain points advantage by doing huge amount of drafts and potentially burning out the futurity aged horse. **Please Note:** The futurity horse **can** gain Future Stars points at Un-Restricted Futurity drafts so long as they do not compete in any Open age events.
- At the end of the competition year(31st July)The top 10 horses are invited to the Future Stars Final run at a host Committee Campdraft weekend.
- There will be 2 Full rounds at the Future Stars Finals with horses being able to gain points for each round. The points awarded for each individual round at the finals will be 30 points for 1st place, 27 points for 2nd place, 24 points for 3rd place and so on down to 10th place. The winner and placegetters of the Future Stars Series is an aggregate of points gained during the competition year and at the finals.

- The rider at the Finals must have competed on the horse at least once during the competition year **in their first six futurity campdrafts**. Unless extenuating circumstances apply. Which shall be decided by the Future Stars Committee.
- If there is any breaking of Future Stars rules or disputes within the series. The Future Stars Committee will decide on any penalties and work to resolve disputes.

Point System for the Future Stars Series.

Future Stars Point System	1st	2nd	3rd	4 th	5th	6th	7th	8th	9th	10th
30 and Under Competitors in Futurity	20	17	14	11	8	5
